Dear Dick,

I am getting a little group together consisting of [redacted] Eloise Page, [redacted] and Leo Cherne, who sculpted a Donovan head, to take a look at a two-foot model of General Donovan to help me decide whether to have it blown up and placed in the new building here. STAT

I tried to reach you on the telephone today and learned you are out of town, so I am taking this method of saying I'd like your judgment, too. If you can join us, Sam Anderson, the sculptor, will be here on Thursday, 13 August, at 4:00 p.m. We will meet with him in my conference room to view the model of the statue.

Yours,

*Bill*
